More info Streetlight & Club Angels...

A word from **Christian** and **Beth**:

We've been so excited by what God's up to in the nightlife on campus - we've had great Streetlights, and a great night in fruiting doing Club Angels - to carry on with this mission - we're joining up together to bless campus at night as much as we can!!

...and we're asking **YOU** to come and be part of the adventure.

Streetlight is about wrapping up warm, being outside the union between 12 & 3am as students leave, looking after people where needed and having lots of conversations about Jesus - and you'd be amazed how everyone has something to say about God!

Club Angels serve inside the building, and wear a T-shirt (which is provided) which has the words 'help, chat, listen, care' on the back. And that's exactly what we do!! It's simple, it's about being a friendly face, and responding to need where we see it. The staff love it and often see us as part of their team.

We'd love both teams to work together on a fortnightly basis, meeting up to pray and catch up at various times of the night - and to warm up if we've been outside!

We'd also love to start on Feb 3rd.....and so would love to hear from you.

Please email christianhacking@gmail.com if you'd like to be on the streetlight team, and please contact bethtash@gmail.com for club angels.

Once you've contacted us we'll be in touch with more info and a place for you to sign up to dates.

Thanks SO much - we can't wait to hear from you and see where God will lead us next!
